

CLIL - HET: Perspectives and Outcomes of the Internationalization in HE

Prof. dr Nataša Bakić Mirić
Anita Janković

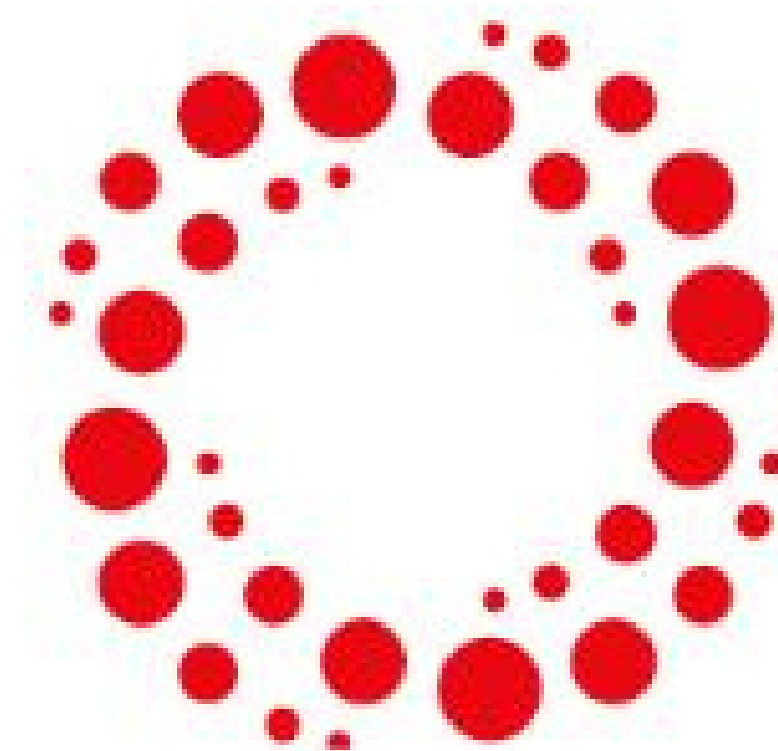

Today's Agenda

- 1 Overview of the project
- 2 Internationalization in HE
- 3 Observation and survey
- 4 Summary and recommendations

CLIL – HET

The project CLIL-HET aims at grouping ESP and CLIL experts/specialists to prepare the platform for networking within V4 and Western Balkan (WB) countries to support disciplinary teachers at Higher education institutions (HEIs) to set up English education environment (EEE).

Internationalization in Serbia

- 2019 Initiative of the Ministry of Education, Science and Technological Advancement
- Language competences of the teaching staff
- State of affairs at our University

Observation and survey

- Prof. dr Dragan Čukanović, Faculty of Technical Sciences
- CLIL lectures in Material Mechanics
- Observation comments
- Survey results

Summary and recommendations

- Prerequisites for the successful internationalization
- Quality assurance
- Language competences
- National and institutional support
